\$5,305

bracket is optional

making work easy - This is what makes work easier

- ♦ The heating element is cast inside the floor of the boiler to protect it against water, limescale and the chemicals used during cleaning.
- ♦ Real-time limescale measurement and display (2 levels).
- ♦ Simple cleaning of the pressure tank thanks to an extra-large service opening.
- ♦ Continuous and effective cleaning performance thanks to 2,000 W and 4.5 bar working pressure in combination with innovative steam nozzle technology.

Power steamer descaler

Concentrated descaling solution

SALE PRICE

\$32.85 + GST

- ♦ Descaling that is both effective and gentle on material – the formulation is especially adapted for the aluminum pressure tank (incl. corrosion protection).

STEAM tube

Intelligent steam cleaning station

SALE PRICE

\$535 + GST \$688

- ♦ Maximum cleanliness and rapid cleaning thanks to a unique dirt collection concept and effortless removal of the hopper, filter, and internal collection container.
